R6 Account Application

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

Shares of the Fund have not been registered for sale outside the U.S. The fund generally does not sell shares to investors residing outside the U.S., even if they are U.S. citizens or lawful permanent residents, except to investors with U.S. military APO (Army Post Office) or FPO (Fleet Post Office) addresses.

To help the government fight the funding of terrorism and money laundering activities, Federal law requires mutual funds to obtain, verify and record information that identifies each person who opens an account.

What this means:

When you open an **individual** account, we will ask your name, address, date of birth and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents. Your account may be restricted and/or closed if we cannot verify this information. We will not be responsible for any losses or damages (including but not limited to lost opportunities and adverse tax consequences) resulting from any failure to provide this information, or from any restriction placed upon, or closing of, your account. By opening an account, you signify you agree to these procedures and accept responsibility for any losses or damages resulting from their implementation.

If you are opening an account for a **"Legal Entity"** such as a corporation, limited liability company, or other entity that is created by the filing of a public document with a Secretary of State or similar office, a general partnership, and any similar entity formed under the laws of foreign jurisdiction, information about the beneficial owners and the individual with significant responsibility for managing the Legal Entity is required **BEFORE** the account can be opened. You must also complete the **Legal Entity Addendum** found at the end of this application.

If you are opening an account on behalf of a trust, estate, limited partnership, or other organizations, additional identifying documentation is also required.

C. Cost Basis Method Selection

Internal Revenue Service (IRS) rules require us to report cost basis on mutual fund shares acquired after January 1, 2012. In order to provide you and the IRS with accurate cost basis accounting, you are being asked to select a cost basis method for your new account.

If you do not elect a method, the Fund's default method, Average Cost, will be applied.

Please select one of the following cost basis methods:

- Average Cost Single Category (ACSC)** -- Shares are depleted on a first in/first out basis with cost basis calculated by taking the shares redeemed multiplied by the average cost per share.
- First In, First Out (FIFO)** -- Oldest shares purchased are first redeemed.
- Last In, First Out (LIFO)** -- Most recent shares purchased are first redeemed.
- Highest Cost, First Out (HIFO)** -- Shares with the highest cost basis are redeemed first.

We strongly suggest that you consult your tax adviser if you have any questions about your cost basis reporting options.

To find out more about Cost Basis visit our website, www.sterlingcapitalfunds.com or contact our customer service representatives at (800) 228-1872.

Further, I certify that by authorizing the Transfer Agent to debit or credit my bank account pursuant to my instructions or those of any person so representing him or her, that I am waiving any and all rights to have my bank account recredited in the event of an unauthorized debit entry. Further, I certify that I understand that this service may be terminated at any time without notice, and that the Transfer Agent is not obligated to advise me of the nonpayment of any debit or credit. Further, I certify that I understand that I may terminate this authorization at any time by written notification to the Transfer Agent, and that any such notification will be effective only as to entries initiated later than three business days following receipt of such notification.
